November 14, 2019

Dear Community Partner:

Delta Sigma Theta Sorority, Inc., a Public Service Sorority was founded January 13, 1913, by twenty-two collegiate women at Howard University. The organization has since grown to more than 250,000 initiated members who are predominantly African-American, college-educated women. Our sorority is a non-profit organization whose purpose is to promote academic excellence and cultural enrichment. The sorority currently has 900 plus chapters located in the United States, England, Japan (Tokyo and Okinawa), Germany, Bermuda, the Bahamas, Korea (Seoul), Jamaica and the U.S. Virgin Islands (St. Thomas and St. Croix). In January 2020, we will proudly celebrate our 107th year of service to our world community through our Five Point Thrust Programs, which includes a Physical and Mental Health component.

As an organization of predominantly African American women, Delta Sigma Theta Sorority, Inc., is uniquely positioned to affect not only the well-being of its membership, but also the well-being of families and communities at large. Concerns about America's physical and mental health and economic stability have not excepted Delta Sigma Theta Sorority, Inc. The organization's work in prevention and "wellness" translates to health education programs, health fairs, and provisions of health care services.
